They may add the beginner hard shoe at no extra fee. Very young dancers might find the length of the 2 classes and the content overwhelming. It may be best to start with soft & add hard shoe later.

\*\*Note 2: Saturday classes are considered supplemental to the

weekday classes. In case of Saturday class cancellation due to competitions/major performances/holidays the normal course of action would be to select an appropriate weekday class as a make-up.

It does not have to be in the same week as the cancelled class.

Tots/Beginners may choose any beginner class/any location as a make-up.

**Continuing beginners** - very young beginners/still learning basics dances  
Dancers who have not done shows or feiseanna should remain in beginner soft shoe and add hard shoe.

Registration fee for new families = \$15.00.. Tuition rates will be published shortly.
